Dear Mrs. McDonald and Mr. Murphy:

Re: Acceptance for Temporary Donation of Gound Water Certificate G3-25690

The purpose of this letter is to acknowledge Department of Ecology's acceptance of your donation to the Washington State Trust Water Rights Program (TWRP). The trust water right has been assigned the control number 5484664. Please refer to that number when corresponding with us about this trust water right.

The Department of Ecology, pursuant to RCW 90.42.080(1)(b), acknowledges your donation in the amount of 1625 gallons per minute and 429.6 acre-feet per year from industrial use. The purpose of the donation is to benefit the preservation of groundwater resources in Spokane County, Washington from December 1, 2012 to November 30, 2017.

This trust water right expires on November 30, 2017.

The parent water right, Gound Water Certificate G3-25690, authorized the withdrawal of 1625 gallons per minute, up to 429.6 acre-feet per year for continuous industrial use. The recorded place of use is located SE¼ of Sec.13, Township 23N, Range 43 EWM, in Spokane County, Washington.

Section 90.42.080 provides in part that the total of any portion of the water right remaining with the donor plus the donated portion of the water right may not exceed the extent to which the water right was exercised during the five years before the donation.

In accordance with RCW 90.42.040(6), RCW 90.14.140(h), and RCW 90.14.215, a water right is not subject to relinquishment while it is managed within the Trust Water Rights Program.

Ecology's acceptance of the donated water right into the Trust Water Rights Program is not evidence of the validity or quantity of the right. When the period of trust ends, the water right will revert back to the water right holder or landowner in the full quantity accepted into the trust water program and for the original purposes.

If, prior to expiration of your donation, you elect to extend the term of this temporary donation, please send us a written request. Also, if you wish to modify any terms of your donation, your

letter must include the new terms. Ecology will review your request of any new or modified terms and conditions and you will be notified if the donation can be extended.

If you have questions or concerns, please call Ying Fu at (509) 324-3451.
